

Many thanks for all the „Merry Xmas“ and „Best Wishes for the New Year“ we have received, and for all the very inspired and nice cards coming by post or by e-mail. We can wish 2010 could be the Year of the Planet or the Year for Saving the Planet or any name you want to use. Copenhagen provides us plenty of ideas for our cartoons.

Let's expect – that will be my wish to Santa Claus, to the Wise Men and to everyone who is merciful or merciless, bearded or beardless - 2010 to give us a lot of editors for publishing our cartoons, in order to save us and to save our job as well.

Cartoon: René de la Nuez

Muchas gracias a todos por los saludos de fin de año que recibimos y por las hermosas e ingeniosas tarjetas de Navidad, electrónicas o tradicionales.

Podríamos anhelar que 2010 sea el Año del Planeta Tierra, o el de salvar el Planeta Tierra o como queráis llamarlo. Después de Copenhague tendremos ingenio de sobra para crear nuestros cartoons.

Esperemos – y es lo que le pido a Santa Claus, a los Reyes Magos y a todos los misericordiosos o despiadados con o sin barba que bien conocemos – que el 2010 nos conceda muchos editores que nos publiquen nuestros dibujos, con lo cual contribuirán a salvarnos a nosotros y a nuestro trabajo.

Cartoon: Bretislav Kovarik

Merci beaucoup pour tous les voeux de fin d'année qu'on a reçus et pour les cartes de Noël tellement belles et inspirées, électroniques ou traditionnelles. On pourrait souhaiter que 2010 soit l'Année de la Planète Terre, ou l'Année pour Sauver la Planète Terre ou comme vous voudrez l'appeler. Depuis Copenhague on a suffisamment d'inspiration pour créer nos dessins. Attendons – et ce sera ma demande à Santa Claus, aux Rois Mages et à tous les gens charitables ou égoïstes, qu'on connaît bien, avec ou sans barbe– que 2010 nous offre un grand nombre d'éditeurs pour publier nos dessins, de façon à ce qu'ils puissent contribuer à nous sauver et à sauver en même temps notre boulot.

Herzlichen Dank für all die Weihnachtsgrüße, für die schönen und einfallsreichen Karten, auf elektronischem oder auf dem normalen Postweg, die wir erhalten haben. Wir könnten uns wünschen, dass 2010 das Jahr des Pla-neten Erde sei, oder das der Rettung des Planeten Erde oder wie auch immer man es nennen möchte. Nach Kopenhagen werden wir genug Einfälle für unsere Cartoons haben. Hoffen wir – und das ist auch das, dass ich vom Weihnachtsgott erwarte, von den Heiligen Drei Königen und von allen uns gut bekannten Erbarmungsvollen oder Erbarmungslosen mit und ohne Bart -, dass 2010 uns viele Verleger bringt, die unsere Zeichnungen veröffentlichen, womit sie uns und unseren Job retten können.

Marlene Pohle, FECO vice-president general
